# Информационное письмо

Данным письмом ООО "АББ" информирует о том, что из актуального опубликованного прайс-листа на Стандартное оборудование подразделения «Электрооборудование» номенклатурные позиции (см. Приложение № 1 к информационному письму исх. № 15003) не подлежат обязательной сертификации исходя из:

- данная продукция не включена в Единый перечень продукции, в отношении которой устанавливаются обязательные требования в рамках Таможенного союза, утвержденный Решением Комиссии Таможенного союза от 28 января 2011 г. № 526 «О Едином перечне продукции, в отношении которой устанавливаются обязательные требования в рамках Таможенного союза», и в отношении которой законодательством государств – членов Таможенного союза (далее – государства-члены) установлены обязательные требования;
- не включена в Единый перечень продукции, подлежащей обязательной оценке (подтверждению) соответствия в рамках Таможенного союза с выдачей единых документов, утвержденный Решением Комиссии Таможенного союза от 7 апреля 2011 г. № 620 «О новой редакции Единого перечня продукции, подлежащей обязательной оценке (подтверждению) соответствия в рамках Таможенного союза с выдачей единых документов, утвержденного Решением Комиссии Таможенного союза от 18 июня 2010 года № 319»;
- не включена в перечни продукции, в отношении которой подача таможенной декларации сопровождается представлением документа об оценке (подтверждении) соответствия требованиям технических регламентов Таможенного союза.

Михаил Киселёв, Директор по продуктовому маркетингу Smart Building
